Elnapress: aid for more freedom

You'll be faster and you'll literally cut your ironing time in half

No more back pain and painful shoulder

You'll iron a shirt in under 3 minutes!

You'll get free time reducing long ironing hours

You'll be seated comfortably at any table

Elnapress comes with convenient and shrewd features such as the Vap-O-Jet which gives you the benefits of steam and an integrated sleeve board.

With its large heating shoe and 45 kilos (100 pounds) of automatic pressure, you'll iron everything from delicate Jersey t-shirt to handmade knit, to men's suits with a professional quality. You'll save money from pressing bills.

Elnapress is energy efficient with only 600-800 watts, less than a standard iron, and half of a steam iron station.

Elnapress is easy to carry (12kg), easy to store (65 x 54,5 x 21,5 cm). Elnapress is virtually maintenance free.

Elnapress offers electronic temperature control from 90° to 220° and safety features.

*Cut the long hours of standing up with your ironing basket always full.
Elnapress turns you loose.*
