Elnapress: aid for more freedom

You'll be faster and you'll literally cut your ironing time in half

No more back pain and painful shoulder

You'll iron a shirt in under 3 minutes!

You'll get free time reducing long ironing hours

You'll be seated comfortably at any table

Elnapress comes with convenient and shrewd features such as the Vap-O-Jet which gives you the benefits of steam and an integrated sleeve board.

Elnapress is energy efficient with only 600-800 watts, less than a standard iron, and half of a steam iron station.

With its large heating shoe and 45 kilos (100 pounds) of automatic pressure, you'll iron everything from delicate Jersey t-shirt to handmade knit, to men's suits with a professional quality. You'll save money from pressing bills.

Elnapress offers electronic temperature control from 90° to 220° and safety features.

Elnapress is easy to carry (12kg), easy to store (65 x 54,5 x 21,5 cm). Elnapress is virtually maintenance free.

*Cut the long hours of standing up with your ironing basket always full.
Elnapress turns you loose.*
