# elna 3210 designed for jeans

**WARRANTY AND SERVICE:** Elna's superior reputation was established in 1940 with the production of its first sewing machine. Ever since, Elna has continued to be a leading brand of home sewing and related equipment especially designed with the innovative sewer in mind. Thousands of professionals worldwide provide expert service. Millions of people have chosen Elna for its quality, performance and reliability.

# JEANS GENERATION

Denim is a girl's best friend. A faithful companion for every age and every situation. With the Elna 3210, take denim and shape it into something really special. The Elna 3210, like denim itself, is tough, reliable and easy to use, and built to work with even the heaviest materials. Because people love to marry denim and frills, the Elna 3210 is also kind with delicate fabrics too. Whether it's total denim or tiny denim details, here's a fabric you can use wherever you want. Always incredibly modern.

## RELIABLE AND EASY TO USE

Add a nice poetic touch with an eye-catching flower with fine leather laces. Perfect finishes using decorative or zig-zag stitching to make the most of delicate fabrics.

### Accessories

A denim bag with tricks which you can use as a protective cover or carrying bag along with a large choice of optional accessories.

#### FREE ARM AND NEEDLE THREADER

A free arm facility for those tricky areas such as trouser legs and an automatic needle threader are all part of the user friendly design.

#### ACCESSORY STORAGE AREA

The storage area is integrated in the top cover of the machine which serves as a stitch display and sewing guide as well.

#### AUTOMATIC BUTTONHOLE

Don't waste time measuring up your buttons. With the automatic buttonhole, just put down the button on the feet and hey presto, you're done!

#### A CHOICE OF 19 STITCHES

Everything you need right where you need it. The Elna 3210 has a range of 19 stitches - from the usefully functional to the charming decorative.
