IN DETAILS

Everything you need to successfully materialise your projects!

BOBBIN WINDER WITH FIVE THREAD CUTTERS
Five thread cutters trim the bobbin thread to smoothly start its winding. A feature to help you to save time and ensuring an optimal bobbin preparation.

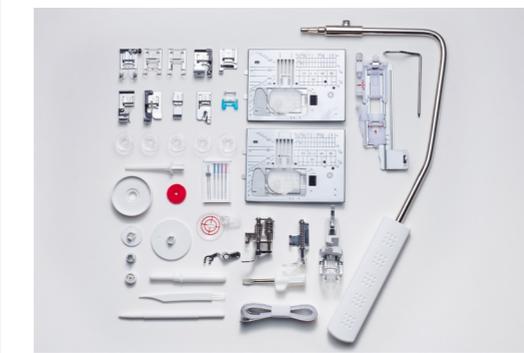

GUIDED AND EASY THREADING
An intelligent system that offers you a clean and accurate seam start without having to raise the bobbin thread.

COMFORT AND SPACE
A long arm of 11" x 4.7" and excellent illumination of the sewing area are ideal for projects that require space and long sewing hours like quilting and patchwork!
